RE-ENACTMENT OF THE CORONATION OF THE DIRECTOR OF THE GOLDEN AGE

Music: Handel's Messiah – Hallelujah {Contemplation}

WELCOME

Welcome brothers and sisters of Light who are with us here today for the reenactment of the Coronation of our Beloved Master Saint Germain, the Director of the Golden Age, on May 1, 1954.

Beloved Ascended Master El Morya:

Tonight, in Shamballa, one of the greatest friends of earth is to receive his due reward. An individual who has had such faith and confidence in mankind for so many centuries, that even the Great Karmic Board stand in amazement at his constancy, trust and belief of the ultimate goodness of his brothers and sisters, and those whom he has lived to serve. Tonight, every heart in heaven, every Angel, every Elemental, every Cosmic Being and Devic Lord is happy beyond words to give Honor to the new King, to the Great Being who is Freedom to this Earth and all upon it. It is an Age of Opportunity and an Age of Hope, because it is an Age when the Violet Flame is Vested with the Authority to change the quality of energy to make all things right. This is the Cosmic Moment when the Authority from the Great Central Sun and the Physical Sun will drive through the Violet Flame, and make It the predominant vibration for the Planet. You will see in the efficacy of the use of the Violet Flame from this night forth, what it means when the Power of the Cosmos and the Universal acts with all the intensity of Its Mighty Being in every endeavor to Transmute Energy through Divine Alchemy.

INTRODUCTION The Cause of Freedom

Beloved Vesta:

The Cause of Freedom was born in God's heart, when the first flame was created, for God desired all his creation FREE. When a Cosmic Desire of God's heart pulsates in the higher heavens, waiting to be claimed, ensouled and lowered by one of his children, it is so finely attuned and vibrates so quickly, that it is neither visible nor tangible to even tremendously evolved beings, EXCEPT where their own interests and leanings, through the centuries, have created in them a sympathetic vibration. Thus, a being would have had to love Freedom, serve Freedom for centuries, before the Cosmic Pulsation would be even discernible in the blazing Cosmic Light, which is the desired world of the Great Central Sun.

Saint Germain's Claim to the Cause of Freedom

Such a being is Saint Germain! He finally achieved a personal evolution sufficient to PERCEIVE God's Desire to bring Freedom to his creation. (The ability to perceive the

presence of any blessing is one of God's gifts and is developed by the humble, listening heart.) When Saint Germain pierced through God's aura and entered the Secret Place of the Most High, he saw "unclaimed" the cause God had set up before the world was, and which one day must, by the nature of its being, have an effect which would be manifest as unconditional Freedom for every part and particle of his creation. It was Love which had answered before the call. It was God providing before the need. His heart thrilled at sharing the Father's secret desire. He loved that "cause" and prayed and prepared that someday he might be worthy to ensoul that cause with his own flame and carry it down to the world of men, that its effect might externalize on the screen of maya.

Time of Fulfillment

The Great Central Sun, itself, would call the being prepared to carry his particular cause to fulfillment, either when the Cosmic Hour for its birth was come, or — some child of heaven had anticipated that hour and become the fit vessel for its outer manifestation before the hour. When any being becomes ready to be invested with a cosmic cause, the law of magnetic attraction begins to pull on the heart of God, and the cause that has lain therein starts on its downward course to join in the call from below. Thus does the Godhead become aware of the readiness of the race for a greater blessing.

Saint Germain's Preparation

The Father called the son — Saint Germain — in the ripe hour, and Saint Germain entered in a Cosmic Initiation, the great Flaming Desire of Freedom, and ensouled it with his Flame, taking full responsibility for carrying it to the Earth and letting its effect radiate through all life and all created beings. Saint Germain's students are invested with the knowledge and power of the Sacred Fire by me. Those who accepted them, with their sponsor, were given audience before me and each invested with the knowledge and power of the Sacred Fire and the vision of the cause in its fullness.

Then, as a corporate body, they — together with their Master — were cosmically invested, their bodies, minds, natures, heritage, in the cause of Freedom and none can leave that cause until its effect is manifest. All are my investment in the name and by the desire of the God of Love.

Gently, I AM, Vesta

Beloved Ascended Master El Morya:

The enacting of this Coronation in the etheric realm, and the added opportunity which you have made possible by reenacting it in the physical appearance world at the same time, will be an anchor. It will anchor the Truth and Acceptance of Beloved Saint Germain. It will anchor his love and his works into the physical substance of the Earth. It will anchor into the mental and emotional bodies of humankind, as well as into the etheric envelope. This is the importance of having unascended lifestreams participating in Cosmic Pageantry and Cosmic Drama. It is the fulfilling of the Decree that you have said for centuries within the Lord's Prayer: "Thy will be done on Earth as it is being done in Heaven."

INVOCATION

Beloved Presence of God, I AM the supreme source of all life, we love and adore you, come forth now and let Thy children hear Thee; fill their being and world with Thy essence and spirit of eternal Love that shadow can no longer exist. Let Thy Light expand, expand and expand that the children of Earth must look within themselves for Thy kingdom; a kingdom of perfection that is grown out of Love and obedience to Thee. Oh, Father of Life, we forever give praise, thanks, and gratitude to Thee for Thy Life, Light, Love, substance and intelligence manifest everywhere in the universe. We send our Love and gratitude to the heavenly hierarchy, Beloved Cosmic Beings, Ascended Masters, Angelic Hosts, Elemental Kingdom and to those who came from other systems of the world to assist the planet Earth at this time. May the Great Central Sun bless thee with the Sacred Love of a Thousand Suns for your devotion and patience. We thank you, we love you and we bless you.

Hail to thee, oh Saint Germain, High Priest of the ORDER OF ZADKIEL, magnificent embodiment of mastery! Hear our hearts' call!
Hail to thee, oh sons and daughters of Freedom, born to the Royal Purple — you who have come from the heart of the silence — you, who have embodied to bring again to the consciousness of the Earth a remembrance of the POWERS OF INVOCATION through speech, through visualization and through the many activities that shall be revealed from now on, for those who belong to this order of Light!

Oh, beloved Saint Germain, Chohan of the Seventh Ray! Place YOUR MANTLE OF AUTHORITY now upon our shoulders once again! Clothe us 'round in Freedom's Flame!"

CANDLE LIGHTING

We light this candle dedicated to the Violet Flame of Freedom, in the honor of our Beloved Master Saint Germain and his divine complement Beloved Portia, Goddess of Opportunity and Justice.

Beloved Presence of God, I AM; Holy Christ Selves of all Humankind; Beloved Director of the Seventh Age, the Golden Age of Freedom, Beloved Saint Germain; and Goddess of Justice Beloved Portia:
In the Name, Power and Authority of our Holy Presence, we now give the full power and authority for thee to transform our sweet Earth into Freedom's Holy Star, and as this Era of Freedom continues, we now pledge ourselves to fulfill every hope and wish in your hearts.

GROUP STATEMENT

We the children of Earth invite the heavenly hierarchy who govern this system of worlds and all the Cosmic, Ascended Beings from other planets and systems to be here with us to celebrate the coronation of our Beloved Ascended Master Saint Germain as he became the director of the 2,000-year cycle for the Planet Earth.

We dedicate this reenactment in gratitude to you, Chohan of the Seventh Ray, and Goddess Portia.

Come (3) in your Ascended Masters' bodies to revivify (3) the etheric memories of all mankind. Make us remember the perfection that we once were. Oh, Chohan of the Seventh Ray, show us the ways and means to manifest your vision for this physical world. Saturate our being and world with your Ascended Masters' consciousness, your feeling of Freedom and joy. Give us the strength, the power, the illumination, the wisdom and courage to set life free.

We invoke Thee, Beloved Cosmic Beings, Ascended Masters, Angelic Hosts, Directors of nature and forces of elements, the Great White Brotherhood, and our Lord Maha Chohan:

Assert your power and authority in this world of form to bring about a brotherhood of elemental, angel and man. Let the Love of Freedom compel (3) the desire for Freedom to expand and let this desire become an invincible Light that permeates our being and world.

To The Cosmic Flame of Freedom, the Cosmic Sprit of Mercy and the Beloved Spirit of Freedom, BLESSINGS from the hearts of all who are utilizing Your Presence to sublimate the energies of their personal worlds and are ascending into the God-free Estate by reason of Your assistance!

To the Beloved Master Saint Germain, Guardian of the Flame of Freedom, we send our gratitude on behalf of all evolutions in the Earth, on the Earth and in its atmosphere, who can — through the use of that Flame which you guard — ascend in like manner to become Divine Beings!

To the Angels of Freedom and the Brotherhood of Freedom who, when invoked, assist in the restoration of the Earth and its evolutions to perfection, we send our thanksgiving!

To the men and women throughout the ages who have loved Freedom and sought to bring that Freedom to their fellowman, we send our Love!

As the Earth has entered into the Activity of the Freedom Flame, upon Whose ascending tide Lord Sanat Kumara has already received His Freedom from centuries of voluntary exile, we decree that the knowledge, use and manifest expression of the efficacy of that Freedom Flame shall cover the Earth, and every man, woman and child arise, throw off the shackles of limitation and walk in FREEDOMS ROBES! Anticipating the transmutation of the Earth into FREEDOM'S STAR, we move forward with those earnest chelas whose purpose, motive and activity is to a like accomplishment – NOW!

PRESENTATION OF CROWN, SCEPTER, AND SWORD

Beloved Ascended Master El Morya:

Beloved Saint Germain receives His Crown First, as the Great Choir sings the Spiritual Words to the Anthem: "God Save the King." The students are joining in that Anthem of Love to Beloved Saint Germain as they sing: "Oh, Hail Thou Power and Majesty."

(Please contemplate and sing, send your Love and Gratitude to our Ascended Master Saint Germain as the following song is being played.)

Song: Anniversary Of Saint Germain's Coronation And Ascension

Beloved Master Jesus places the Crown upon the Head of Beloved Saint Germain which confers the Power and Authority for the next 2,000 years to the Friend of Eternal Freedom.

Beloved Ascended Master El Morya:

Then, Beloved Sanat Kumara steps to the front of the Throne of Light, and receives the Scepter of Dominion and Power from Beloved Lord Maitreya which is then the Magnetic Power that flows through each succeeding Ray during the 2,000 years of Cosmic Action. Beloved Sanat Kumara places the Scepter in Beloved Saint Germain's hand! Now, the Powers of the Sun, the Archangels, the Devas, and the Cosmos are focused from this moment on through the Violet Ray of Freedom, Beloved Saint Germain, and His representatives.

Beloved Ascended Master El Morya:

Then the Beloved Maha Chohan gives Beloved Saint Germain the Symbolic Sword which represents the Power of the Holy Spirit to activate any of the Rays to bless the Earth, Humankind, and all Life.

Beloved Saint Germain now stands and receives the first Acclamation of All the Hosts of Heaven! It is an Acclamation of Absolute Silence! Beloved Saint Germain's head is bowed in Prayer, to the "God That Made All."

Then, the Choir again sings the Anthem of Praise to the New Authority in Saint Germain. The students sing: "America". Thank you, Beloved Ones, your song did truly rise and join with Those privileged to stand in the visible presence of this Great Friend of yours and Mine.

(Please join in and sing to our Beloved America)

Song: America (My Country 'Tis of Thee)

Beloved Ascended Master El Morya:

The first official act the Beloved Saint Germain performs after his “Acknowledgement of God,” and the Spiritual Hierarchy, is the raising of the Crown and placing it upon the head of his Beloved twin flame Lady Portia.

Now begins the procession and the offering of fidelity, as every member of the Great Light Brotherhood, in their ordered rank, stand before the New King. Each one gives a gift of himself! A gift of some particular energy that has not previously been used or drawn forth! You are privileged to be the first group of unascended beings to stand before the throne of Beloved Saint Germain and to kneel before that throne in His Great homage!

Will you remember silently to make a gift of some action or restraint of action in your personal life to Beloved Saint Germain? Will you make this a permanent trust between you and Beloved Saint Germain?

At the completion of your allegiance and dedication to Beloved Saint Germain, as you send your voices forth decreeing for assistance for mankind, the Great Spiritual Hierarchy will take that energy to petition for the mercy that the Seventh Ray alone can give. The procession of Homage took 12 hours!

I thank you for your part in this evening’s performance. I thank you for your patience with me in my role as reporter. I thank you for your extreme depth of feeling and Love for Beloved Saint Germain.

Beloved El Morya

Beloved Saint Germain:

Hail! Thou Children of the Seventh Ray. Into thy keeping have I now placed the Age of Ceremony, embodied on this planet. As a High Priest in the Order of Zadkiel, I do now invest you with the opportunity of the Ages to reveal the God Powers of Transformation available to the race through Invocation. Now is the moment to reveal to all mankind that which has been hidden in secret rites through ages past, the countless qualities and perfected energy that but awaits an open door into the world of form through men and women trained for this in the Etheric Temples of Zadkiel. You are these committed men and women who asked of God to manifest this inner training in the world of manifestation. Welcome home, dear spirits, into the Service of Ceremonious Life, revealing the true purpose of embodiment at this time.

Saint Germain

DECREES VEDANTIC PRAYER

Oh, Thou Infinite Holy Presence of God, the Divine Source of all Life; Hallowed be Thy Sacred Name! We bow before Thee in Gratitude, Praise and Thanksgiving for Thy Supreme Presence in the Universe — because Thou art I AM!

We return to Thee, Almighty One, all the Power and Dominion we have ever vested in any imperfect manifestation, visible or invisible, for Thou art the All-Power of the Universe and there is no other Power that can act!

Let Thy Will be done in and through us NOW! Let Thy Kingdom of God Consciousness be manifest across the face of this Earth through the heart flames of all who are so blessed as to live upon It now.

Oh, Supreme Beloved One, as we lift our hearts, our vision, our consciousness toward Thee, release the Substance of Thyself to us, each according to our requirements, that as we move forward in Thy Name, and upon Thy Service, we shall not be found wanting!

We ask forgiveness for all the transgressions of Thy Law of Love and Harmony, both for ourselves and all mankind, the Forces of the Elemental Kingdom, and the Kingdom of Nature. Endow us now with Thy Power and Desire to so forgive all who have ever caused us distress back unto the very beginning of time.

Because we are One with Thee, we fear no evil, for there is no power apart from Thee. Thou Art the Strength and the Power by which we move ever in the Path of Righteousness — and NOW — Oh Father of Light — show us the FULL GLORY we had with Thee in the beginning before even this world was ... SO BE IT! I AM!

MY COUNTRY 'TIS OF THEE

My country, 'tis of Thee,
Sweet Land of Liberty
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain side
Let Freedom ring.

My native country, thee,
Land of the noble free,
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills,
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet Freedom's song;
Let mortal tongues awake;
Let all that breathe partake;
Let rocks their silence break,
The sound prolong.

Our fathers' God to Thee,
Author of Liberty,
To thee we sing,
Long may our land be bright
With Freedom's holy light,
Protect us by Thy might
Great God, our King.
